Forward Looking Statements

This communication contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including the statements regarding Dakota Gold Corp.'s ("Dakota Gold", or the "Company") option agreements with Barrick Gold Corporation ("Barrick") and the Company's future exploration plans. These forward-looking statements are based on assumptions and expectations that may not be realized and are inherently subject to numerous risks and uncertainties, which could cause actual results to differ materially from these statements. These risks and uncertainties include, among others, the Company's ability to exercise the options with Barrick, the timing of the exercise of the options, the consideration for the options, Barrick's ownership interest in the Company, the Company's ability to create jobs in South Dakota, the potential for gold mineralization in the properties subject to the option, the price of gold, synergies between the option properties and the Company's existing assets, the Company's use of disturbed land, the Company's use of historic data, the Company's exploration plans, the state of the economy and financial markets generally and the effect on our industry, and the market for our common stock. The foregoing list is not exhaustive. For additional information regarding factors that may cause actual results to differ materially from those indicated in our forward-looking statements, we refer you to the risk factors included in Item 1A of Dakota Territory Resource Corp.'s Annual Report on Form 10-K for the year ended March 31, 2021, as amended, as updated by annual, quarterly and other reports and documents that we file with the SEC, including the registration statement on Form S-4 that Dakota Gold has filed with the SEC. We caution investors not to place undue reliance on the forward-looking statements contained in this communication. These statements speak only as of the date of this communication, and we undertake no obligation to update or revise these statements, whether as a result of new information, future events or otherwise, except as may be required by law.

REPURPOSING

We purchased the historic Roundhouse building and electrical substations in Lead to serve as the main office and core logging facility, respectively.

JOB

We currently employ over twenty people and multiple local contractors who live and work in the State.

TRANSPARENCY

We build transparent relationships with community groups, elected officials, and special interest groups.

“As a local South Dakota company, operating within an ESG framework isn’t just part of our business, it is a natural extension of our culture and values. We are part of the community and have every incentive to treat our community and our environment with the utmost care and respect.”

Steve O’Rourke
Co-Chair, Director

COMMUNITY

We provide support to several community organizations in the Lead and Deadwood area, and the South Dakota School of Mines.

OUTREACH

We developed a strategic philanthropic and outreach plan to actively support community, regional and state efforts.
